THE HYVA TITAN CITY

Engineered to go to every small corner of the world, the Titan City is the best choice for operators and drivers alike.

- **Developed specifically for use with light commercial vehicles.**
- **Bringing Titan boltable mounting to lighter hookloaders.**
- **High-performance steel structure gives maximum strength and performance for the Hookloader.**

The well-known Titan mounting has already won over many hearts and minds in the medium to heavy truck classes and is here to stay. The Titan boltable mounting makes installing the hookloader on a truck a breeze with universal and chassis specific mounting kits.

RANGE PLAN

	SYSTEM LENGTH (INCHES)						CONTAINER LENGTH MIN. - MAX. (FEET)
	114	134	150	161	189	201

TITAN CITY HOOKLOADER FEATURES

EASY MOUNTING

The Titan series offers an easy way of mounting. Installing the hookloader on the truck with a chassis specific mounting kit achieves repeatable quality time and time again. Hyva prides itself in creating chassis specific kits for every chassis.

FACTORY END COAT

Coated in a highly corrosion resistant end coat, the Titan City will stand the test of time. Standard coated in sleek black end coat from the factory. With the option to be coated in any color, as long as there is a RAL code for it.

BOLT IT ALL ACCESSORIES

The new Titan City features a line of accessories that can be bolted straight onto the hookloader. No more searching for space on the chassis or leaving out comfort functionalities with a Titan City. The specially designed brackets can hold a wide variety of accessories from toolboxes to fenders.

CONTROL IT YOUR WAY

Select one of the many options for controlling your Titan City. Select the operators' favorite pneumatic control or go with the more advanced electric system. We also offer manual cable controls that put your hands directly in touch with the flow.

CONTAINER LOCKING OPTIONS

A range of mechanical and hydraulic locking options for your containers. Proven locking to secure your load every time.

LIGHTWEIGHT DESIGN

Advanced design and constructed out of high strength steel gives you maximum payload and reduced fuel costs. The telescopic job creates optimal weight distribution during transport.

DUAL PIVOT DESIGN

All Titan City hookloaders incorporate dual pivot frame design for true dumping capabilities. This allows the container to remain secured while dumping.
