# CITY HOOKLOADER

## CONTROL IT YOUR WAY

Select one of the many options for controlling your City Hookloader. Select the operators' favourite pneumatic control or go with the more advanced electric system. We even offer control by Bowden cable putting your hands directly in touch with the flow.

## COMBI LOCK IT ALL

Fit your City Hookloader with the combi-lock and gain the ability to lock every container to your system. Proven hydraulic locking securing your load every time. One lock for both outside and inside locking.

# FEATURES

## FACTORY END COAT

Coated in a highly corrosion resistant end coat, the City Hookloader will stand the test of time. Standard coated in sleek black end coat from the factory. With the option to be coated in any colour, as long as there is a RAL code for it.

## VERSATILE

Engineered to be used in a wide range of applications, the City Hookloader brings versatility to the operator. Whether it is transporting small construction equipment or collecting waste the Titan City supports it all.
